

## INDEPENDENT SUPPORT PROGRAMME

*The Independent Support programme has been extended for a further two months, so that parents and young people continue to have access to valuable support as they navigate through the Education, Health and Care (EHC) planning process.*

**We are pleased to be able to offer support on:**

- **Annual Reviews of already existing EHC plans**
- **Amendment of already existing plans**

**In addition, we continue to:**

- provide impartial information and support for you to be confident to express your views
- prepare One Page Profile **OR** Part A (Personal Profile)
- help you prepare for and support you at meetings during the EHC planning process including assessment
- provide relevant materials and letter templates regarding the process
- review the proposed EHC plan with you and translate any jargon
- signpost to further advice and support such as the local Information, Advice and Support Service

**Please contact the IS Team on 020 8466 0790 or email [is@bromleymencap.org](mailto:is@bromleymencap.org) for an appointment, further information, or to support you at Annual Review meetings. You can also visit <http://bromleyparentvoice.org.uk> for further information**
